Dear Local Community,

During June, nine upper primary students from our school attended a 3-day Choir Camp in Pittsworth where they were fully immersed into the challenges of choral workshops and rehearsals. Together, our students along with 85 primary students from 8 other schools within the district, formed a mass choir that entertained a large audience at the Pittsworth town hall on the Friday night. Special mention must go to Allie-Parker, Kaidence and Bridie who each performed a solo on the night. Bridie was also a dancer in one of the songs. The choir was led by enthusiastic choir camp organiser and conductor— Mrs Beth Wheeldon. The Friday night concert was huge success and all students thoroughly enjoyed this wonderful experience! Choir Camp Students: Tavay, Amber, Layla, Aimee, Charlotte, Allie-Parker, Bridie, Rachel and Kaidence.

Our school also participated in the Vicki Wilson Netball Challenge at Nell E Robinson park in Toowoomba. This is an annual event, however this year is the first time our school has attended the carnival in a number of years. Our team of ten girls represented our school admirably and enjoyed the day. Netball Team: Cianna, Amelia, Jemimah, Ava, Charlotte, Tia, Kira, Erykah, Lucy and Trinity.

The student council organised a fundraiser for the first state of origin game—students were invited to wear their favourite footy colours in exchange for a gold coin donation. All up just over \$300 was raised and the money was donated to Ronald McDonald House & Learning Program, what a fantastic effort!

Our school athletics carnival was held over two days during the last week of term 2. Congratulations to all students who participated in the events. Your effort was amazing. A special congratulations to Fletcher House who won the athletics carnival for 2021! Good luck to everyone who will participate at Gore Highway athletics early in term 3.

A school disco took place on the last day of term 2, which gave students and staff an opportunity to dress up, let their hair down and have some fun! Thanks to everyone involved in making this an exciting end of term event.

Fun at the Disco!

### Millmerran Commerce & Progress Inc.—updates for August, 2021

Millmerran has been experiencing a lot of visitors to our town over the past few months. The Millmerran Visitor's Guide produced by MCPI in December of 2019 and supported by local business advertisers has been a very popular item for our guests, so much so that the second print run is now in production. Some important updates have been made to the original booklet and drives map, as so much has changed in our district just in that short space of time. Thank you to the advertisers and organisations for assisting with updated information.

Souvenirs of Millmerran have also been popular and our original stock of Millmerran embroidered caps are almost gone. New stock of the caps is now on hand, selling for the same retail price of \$15.00 each. New colours available:- HOT PINK, BLACK, MAROON and ROYAL BLUE. Caps are available to purchase from Millmerran Visitors Information (VIC) centre and some retail stores in Millmerran. NEW souvenir—Bumper Sticker of Millmerran (picture on pg. 22) has been produced after many requests for this item, available to purchase at a retail price of \$1.50each, these stickers will also be available at the VIC and other retail outlets during the month of August. Should any Millmerran retailer wish to carry stock of the caps/bumper stickers/postcards, please make contact with MCPI by phone on 0417 782 810 or email millmerrancommerce@live.com.au POSTCARDS—showing 4 different scenes are available retail \$1.00ea.

Since last month progress has been made with the production/applications with Council for the GCBF-grant funded LED DIGITAL SIGN BOARD to be erected in Domville Place—Mary Street side. This signboard will be a huge asset to Millmerran, making it possible to advertise events, activities and alerting of any emergencies. Another feature our supplier has informed is the signs ability to display day, date, time and weather. Approved at our recent Management Meeting is the fixed signage to appear at the top of the sign. Please see the below, which will be produced in colour on the signboard.

Planning is underway for pre Camp Oven festival events by MCPI. The volunteer coordinators are at present preparing paperwork for Council approval for the BUSKING IN MILLMERRAN Event. There are some great cash prizes for the Buskers—Winner \$300, Runner Up \$150. The winner will also receive stage time at the Australian Camp Oven Festival. Should any business or group wish to request another location to be included during these days please contact MCPI as soon as possible.

**Vegetation Laws**

There is quite often a lot of confusion regarding what can and can't be done in regulated vegetation (protected remnant and regrowth)

First step is to request a property map and report. This is a free service and reports and maps are generated quite quick and sent to your email address. Lot and plan numbers are all that is needed to request these.

Go to website:

[www.qld.gov.au/environment/land/management/vegetation/maps](http://www.qld.gov.au/environment/land/management/vegetation/maps)

This information can help you choose the appropriate clearing option. There are a multitude of clearing exemptions such as for infrastructure, roads, fencelines, firebreaks and trails. Fuel reduction can be carried out using fire.

If your activities don't fall into the exempt clearing work then they may be eligible to be carried out without a development approval if the proposed clearing can be done in accordance with one of the following codes:

*managing encroachment, clearing for an extractive industry, managing fodder harvesting, clearing to improve agricultural efficiency, managing regulated regrowth vegetation, managing a native forest practice, necessary environmental clearing, clearing for infrastructure or managing weeds.*

Officers at the Department of Resources are more than happy to help with any questions regarding vegetation management.

Phone 4531 8513 or head to the vegetation website for more info

Darling Downs Health

# Millmerran MPHS Primary Clinic Newsletter

Winter 2021

Incorporating Cecil Plains and Yallambee

## Caring for our communities – healthier together!

### Community Health Forum

On June 9, we held our second Community Health Forum at the Millmerran Community and Cultural Centre. This forum provided an opportunity for the community to receive an update of services from the Darling Downs Health team.

The Toowoomba Hospital Foundation made the exciting announcement that they have commenced contractual negotiations to purchase the Medical Centre building in Campbell Street. If they are successful, Darling Downs Health have agreed to enter into lease negotiations so that the Primary Clinic can be relocated from the hospital grounds to the main street. More information will be available in the coming months.

Darling Downs Health is looking to expand its services with visiting Allied Health practitioners and potentially visiting specialist services in the future.

### COVID-19 Vaccinations

Having a safe and effective COVID-19 vaccine is one way we can protect our community against coronavirus. COVID-19 vaccines help to prevent serious illness and possible death from COVID-19, and they are free for everyone in Australia.

The Millmerran Primary Clinic is pleased to advise that we are now an approved vaccination provider for the AstraZeneca COVID-19 vaccine. We are happy to help provide COVID-19 immunisation for our local area and wider community.

AstraZeneca vaccination will be available through the clinic for all those who have already had their first vaccination and also to everyone over the age of 60 years.

Arrangements are not yet in place for the provision of Pfizer vaccination to all those under 60 who have not yet received their first or second shots of AstraZeneca. This is due to a combination of stringent storage requirements as well as supply. We will keep you posted as to when Pfizer will be available from our clinic. Further and updated information is available at: <https://www.health.qld.gov.au/darlingdowns/coronavirus>

### Booking for COVID-19 Vaccinations

We will be running **weekly vaccination clinics**. To book an appointment or to register your interest, please call **4695 3131** during business hours. Unfortunately, we are not able to vaccinate you if you do not have an appointment. For those who attended our first COVID-19 vaccinations clinics on 27 and 28 April 2021, you do not need to call us, we will contact you directly for your second vaccination when it is due.

**Queensland  
Government**

## Remember Your Role!

Please do not come to your vaccination appointment if you are:

- feeling unwell with fever, cough, runny nose, or other symptoms that could be from COVID-19
- waiting for COVID-19 test results, or have tested positive for COVID-19
- a close contact of someone with COVID-19, or
- if you are in quarantine.

If you have had another vaccine, for example the influenza vaccination, in the seven days before your COVID-19 vaccine appointment, please let us know as we may need to reschedule your appointment.

To keep you and the community safe before and after vaccination, it is important that you continue to:

- stay 1.5 metres away from other people and avoid handshakes and contact with people outside your household
- stay home if you feel unwell and get tested for COVID-19 (you must stay at home until your result comes back)
- wash your hands regularly with soap and water or use hand sanitiser
- always cough or sneeze into your arm or a tissue and put the tissue in the bin straight away.

## Scripts

Please ensure that you make an appointment at the clinic well before you need to renew current prescription medication, preferable **one to two weeks** before you need to have it refilled. We don't want you to run out of your medications.

## Allied Health Update

We have expanded our mental health service for the community of Millmerran, with a visiting psychologist available weekly. Other Allied Health services available include physiotherapy, dietetics, occupational therapy and mental health nursing. If you need an appointment, please phone the clinic, or discuss this with your doctor.

## We Want Your Feedback!

If you'd like to be involved email Helen Jones at [DON\\_Millmerran@health.qld.gov.au](mailto:DON_Millmerran@health.qld.gov.au) or phone 4695 3113.

### August 2021

As always, Thanks to our Staff, Volunteers and Sponsors, without them, more than ever we just cannot function. The grounds staff have been busy with the recent rains, doesn't seem to want to stop and good to see the creek full again. Which has caused a few events to be cancelled so keep an eye out for program changes.

Covid is still with us, we have been lucky in our area and state but don't let our guard down, keep up signing in or scan QR and follow the directives. As always there is Friday Sporter's and the Chook run on Saturday or Sunday depending on the comp.

**Starting Times: Competition - Summer 12 > 1pm (no lunch), Winter 10am>11am. Sporter's Fridays 2pm. Chook run Saturdays 2pm.**

Fire warden James Pratt 0477864963

First officer James Pratt 0477864963

IF YOU HAVE AN Emergency ring 000 stay safe

You know the antique sign at the front of Kooroongarra Township? Well with the help of Millmerran Men's Shed, we are in the process of restoring it to its former glory and giving it the facelift it deserves. The Kooroongarra Community Street Library is almost complete as well. Soon, you'll be able to stroll up, grab a book for a good read or even donate your own pre-loved books for others to enjoy as much as you have.

On the professional side, it's the start of a new financial year so it's a great time to start thinking about money, your superannuation and retirement. Do you know how much super you need in your retirement? There's a big difference between having just enough to scrape by and living well in your retirement. The Association of Superannuation Funds of Australia estimates that for a couple leading a comfortable lifestyle, you'd need around \$62,828 per year, considering that you own your Family Home. Do you think you are in the right track?

As always, I'm here if you want to come around, see the property and have a chat about it or even talk about setting you up for a comfortable retirement. I'm looking forward to meeting all of you.

## Millmerran Hospital Auxiliary

During the month of July our members catered for a clearing sale which was most successful in raising money for the hospital auxiliary. Special thanks to Des and Fay Schwarten for giving us the opportunity to provide the refreshments on the day. Thanks also to Ben, Les and Patrick who provided help with the 'heavy lifting' to enable the auxiliary to cater. Bouquets also to Olivia who worked along with the 'grown -ups' and didn't stop all day, your effort was very much appreciated. The day was soundly enjoyed by all, it proved to be a great social day- a good catch up for everyone.

*The Wylahra Grove Progress Association is holding a jumble sale on the weekend of the 7th and 8th of August and graciously announced the proceeds will come to the Hospital Auxiliary.*

*We thank them for their generous gesture and ask everyone who is able to support this fund raiser.*

The auxiliary is running a multi-draw raffle to be drawn at the Annual General Meeting on the 17th August so if you see any members selling tickets please help by purchasing heaps!!!

The next auxiliary meeting will be the Annual General Meeting, which as previously mentioned is scheduled for August 17th at 1pm in the training room in the hospital grounds.

New members are most welcome.

## MEN'S SHED

Who'd have thought, rain in July?

Obtaining "Charity Status" for the Men's Shed was just the beginning of a bureaucratic nightmare which hasn't finished yet. More hoops were placed before us from the Office of Fair Trading, the ATO and the Justice Department. Watch this space.

The Men's Shed cooked for the Anderson clearing sale during the month. We ran out of a few items but will be more prepared if asked to do the same in the future. We at the Men's Shed still have a need for another Shipping Container to store a growing pile of timber. The Saturday "sausage sizzle" at Mitre 10 continues to be successful, thanks to the community patronage.

We have

many restored items for sale. These are 2 cots, a writing bureau, a wheelchair, gas heater, wooden silky oak kitchen chair, Queen Anne dresser, round extendable dining table, 2 wooden clothes airers, 2 single beds, children's table and 2 unmatching chairs, mirror, cypress pine table, and an **elaborate coffee table**. If you are interested in any of these items you can call Men's Shed on any of the numbers below or email us at [contact@millmerranmensshed.org.au](mailto:contact@millmerranmensshed.org.au).

We have had another new member in the past fortnight to take our tally to 28. **We are open every Tuesday and Friday from 9.00 a.m. till 12 noon.**

Until next month.

**BEWARE OF TAX TIME SCAMS!**

The financial year has ended, which means scammers are just getting  
started.

Scammers may pretend to be from myGov, Centrelink or the Australian  
Taxation Office (ATO). They may say you can get a tax time refund or  
bonus, or that you need to pay back a debt.

You can help reduce the risk of getting scammed at tax time by keeping  
track of key dates. This includes when refunds, debt repayments or  
lodgements are due.

If you do feel as though something is off with a letter you have received  
please pop in MCSS and we will contact Centrelink and check for you.

We've got more tips on how you can spot a scam on our website.

How many of us tend to take miracles, big or small, for granted? Maybe, we don't call them miracles! We call them coincidences; so, we don't have

to think that God has stepped into help us out or to show us His goodness. Though, He is Jehovah Jired, our Faithful Provider. As in Psalm 23 says: "The Lord is my Shepherd, I shall not want....Surely goodness and mercy shall follow me all the days of my life; and I shall dwell in the house of the Lord forever." He is the One who performs these miracles, to bring His will and purpose in and through our lives. Saved or unsaved, He is always there with us; as we've ALL been justified at His death on the Cross. Named Emmanuel, "God with us", He'd like us to fellowship with Him, to have this close-up relationship which we catch a glimpse of, as He strolled with Adam in the Garden of Eden, enjoying the coolness of the day. But in our time, He is even closer, much nearer than we can imagine. He is in the heart of all the believers who have taken the step of Faith, and have been sanctified by King Jesus Himself. We've experienced many miracles in our lives, and often asked ourselves: "What would have happened if Jesus didn't step in as He did?" We don't have to concern ourselves about the answer for He is always there...with us, for us and in us. He's the best God can be and do. Only believe, and see the Glory of God through your miracles!

**Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ.**

The Holy Spirit guarantees all the benefits of the price paid by Christ at the Cross and the Resurrection. Without Him nothing is done for God, and nothing is accomplished in our hearts and lives as it relates to the Lord. The Holy Spirit residing within our hearts and lives is sent there to perform a purpose and particular work.

He works according to the confines of the Sacrifice of the Cross. The Law of the Spirit of Life, in Christ Jesus has made me free from the Law of sin and death (Rom. 8:2).

All that we have in Christ was purchased and bought at Calvary, and by the Precious shed Blood of Jesus Christ. Consequently, the Holy Spirit works in those confines.

### EPHESIANS 1:3

**Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ.**

The entirety of the Bible, all the great Promises of God, the centerpiece of God's great Redemption Plan, His Plan for man, is all centered up in the Incarnation, Atoning Sacrifice of Jesus Christ, the Resurrection and Ascension. The Atoning Sacrifice of Jesus Christ is ever the focal point of all that God has done and will do for humanity. All the hundreds of millions of Sacrifices offered up by Israel in its some 1600 years of Law, pointed exclusively toward this. Jesus came for that very purpose, to die on Calvary, thereby redeeming man from the slave block of sin and shame.

In Christ proclaims it all. It is in the Crucified Christ where our Victory is found, because there the Victory was won. Jesus died in order to free us from our sin, and was Resurrected as it regards our Justification (Rom. 4:25).

LYNDALL CHANDLER

### Are You Choosing the Most Important Thing?

It's so good to connect with you through this August edition of the Millmerran Newsletter. I pray that what I share with you this month will encourage you and help you navigate life.

This month I want to stir up in each of us a desire to read the Bible more. Many think of the Bible as a dusty old history book or as a book of do's and don'ts, rules and regulations.

The Bible's not like any other book. It is far more than a history book or a book of stories and good examples. It is the actual Word of God. And it's not to be read as a religious ritual but to know the One who wrote it.

It is a book inspired by the Holy Spirit and, as you open its pages, it will speak to you and give the guidance so necessary for life.

I believe the Word of God is the most precious gift we have. It brings peace and stability, refreshes our soul and makes us wise.

I love what Jesus said about it, *man doesn't live by bread alone but by every word that comes out of the mouth of God* (Matthew 4:4). If we want to live and be sustained in life, we need the words of God. They are to us like oxygen is to our bodies. Without oxygen we don't live. If we don't have the Word we don't live. You may be alive but you don't really live.

What helps me most understand the value and importance of the Word of God in my life are the words Jesus spoke in Luke 10:38-42. Take some time to read through them. They speak of Jesus with Mary and Martha and their brother, Lazarus, at their home.

We can see from these verses the thing that Martha allowed to keep her from listening to the words of Jesus and, can keep us from reading the Bible, is distractions.

Thoughts of *I'm too busy...I don't have*

*time...I'm too tired.* Or perhaps for you it's simply the busyness of life. Martha was just too busy. What about you?

What was it Jesus said to Martha in the midst of her busyness, in the midst of her distractions? You'll find it in verses 41-42, *Martha, Martha, you are worried and troubled about many things. <sup>42</sup> But one thing is needed, and Mary has chosen that good part, which will not be taken away from her.*

Jesus said there is one thing that is needful, one thing you need to make a priority in your life. What is it? Sitting at His feet listening to His Word. Making the connection to God through reading and listening to His Word.

And Jesus is telling Martha, and us, it is something we have to choose.

I encourage you to get a Bible that's easy for you to understand. Start at the beginning of the New Testament in the Book of Matthew and read a chapter every day. As you read, pray over yourself the prayer the Psalmist prayed, *Open my eyes as I read Your Word that I may behold wondrous things from Your Word* (Psalm 119:18). Then, as you go through the day, think about what you've read.

We all need the Good News especially in a time when bad news seems to be so prevalent. The strength and wisdom we need to live this life is found in the truth of the Word of God. I know you'll be refreshed and encouraged and your faith will be strengthened as you read it. His Word is for you so you will be encouraged and strengthened and to equip you to make better decisions in life.

*I pray, heavenly Father, that you give each person reading this a love for the Bible, Your Word.*

# JESUS HEALS A 12-YEAR OLD GIRL

(Read Luke 8:41-42 & 49-56)

One day a man named Jairus came to Jesus and urgently asked him to come to his house. Jairus had a 12-year old daughter at home that was dying of sickness, and he wanted Jesus to come and heal her. How wonderful that Jairus knew who to come to for help! He knew that Jesus was a great healer and the best person to go to, to save his daughter's life.

There were a lot of people around Jesus when Jairus found him, and this meant Jesus could not get to Jairus' place quickly. Jairus waited patiently with Jesus, but news soon came that his daughter had died, and he should come back home. Jesus heard this news, and told Jairus to not be afraid. Jesus said to Jairus, just keep trusting me, like you did when you first came, and your daughter will be healed. When Jesus arrived at Jairus' house, he went inside with 3 of his closest followers and the girl's parents. Jesus told all those that were there crying that the girl was not dead, but asleep. No-one believed him, and they even laughed at him, because of what he said, so Jesus had everyone removed from the house, except for those that entered in with him. Then Jesus took the girl by the hand and said "Maid, arise", and she came back to life. What a miracle for this family! Jairus and his wife would have been so happy that they did not stop believing that Jesus could heal their daughter. They

were rewarded for their faith, and got to see an amazing miracle because they did not doubt and laugh at Jesus like the other people did.

We all have a sickness called sin, but it is faith in Jesus that will heal us. Sin is all those naughty and bad things we do. Only Jesus is powerful enough to heal us from sin. If we want to be healed from our sin, and we believe Jesus can heal us, we can come to him with the same faith as Jairus, and be made well.

"That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that **Jesus Christ is Lord** to the glory of God the Father."  
- Philippians 2:10, 11 -

## Are you ready to meet Jesus?

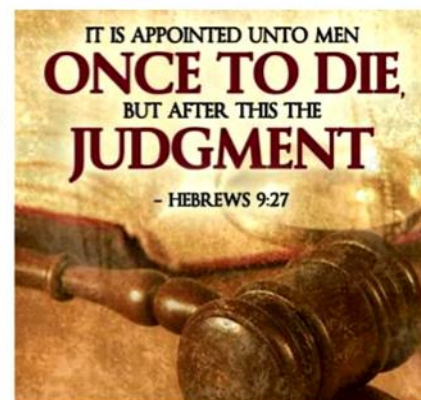

There are a lot of people in the world that do not believe that the man Jesus Christ was anyone special. They might agree that he really lived in the past, but only that he was just a regular person. This is nothing new. Even when Jesus was alive, people didn't believe Jesus contained anything more than normal human character, but they were proved wrong. This belief was so strong to them that they arrested Jesus and had him killed for saying that he was sent from heaven. They called it blasphemy that he said that he was God, in the flesh. When Jesus came back to life after he was crucified, he proved everyone wrong. No-one could return from the dead by themselves, except God himself. Jesus even appeared to hundreds of people before he ascended from earth to be with his Father in heaven, but still people don't want to believe that this was true, and that history books, including the Bible have it wrong.

One day we will stand before this same Jesus. Every single person that has ever lived will one day face the fact that Jesus was real, that he really did die for the sins of mankind, and overcame death when he rose from the dead all those years ago. As our verses above explain, every knee will bow, and every tongue will confess. We will whether voluntary, or involuntarily, admit that Jesus Christ is real. Our bodies and our tongue will react to the name of Jesus, regardless of whether our minds wanted to accept him as real in this life or not. To the believer that already has a relationship with Jesus, this is exciting. We have no problem with this future reality, and look forward to that moment when we will see our Saviour face to face. Such a humbling, loving, and precious moment to meet the one who gave his life for us, so that we could enjoy eternal riches with him through a simple act of repentance. But for those that don't want to believe, or don't have the faith to believe in what they've not yet seen, this will be a terrible time. It will be a fearful time because the mind will know exactly who Jesus is, and the body will respond to who Jesus is, but inside their will be the fear that Jesus IS real, and I didn't want to know Him when I had the chance, and now it is too late. People will be very aware that they missed the opportunity to know Jesus by faith, and that they waited too long.

Our verse below tells us that we all have 2 appointments awaiting us. The first one is with death. Death come unexpectedly, and for those that are left behind it often leaves a hole. However the one that has passed from this life, has fulfilled their appointment with God as instructed. The second appointment is the judgement. This isn't to judge whether we've been bad or good by our standard, but judged according to whether we lived godly or not. Each person will be judged by the Word of God as the standard. This judgment will determine whether we know Jesus Christ as our Lord and Saviour, or just considered him to be an historical figure of no importance to our current state.

We all will be held accountable for our own decision. What we have decided to believe in our hearts and minds, will be presented before Almighty God for judgment, and his decision is final as to where each person will spend their eternity.

Are you ready to meet Jesus? Do you still want to believe He is nothing of importance, or can you comfortably call Him your personal Saviour? God gives people a life-time to respond. He gives us days filled with opportunity to make that important decision. Don't waste time, or procrastinate. We don't know the time of our 2 appointments, but we must be ready for them. If we know Jesus, and have asked Him to save us from punishment, we should have peace about meeting Him.
